# 何以报德~唯有报德

报德老酒，清香型46度，是白酒最古老的香型。它纯粮酿造，传统固态发酵，并以老酒、老味、老口感，清爽醇厚，好喝不伤身，入胃不上头的特点著称。

A large bottle of BaoDe Old Wine is the central focus, surrounded by smaller bottles and a red ribbon. The bottle has a dark glass body with a gold foil seal and a red label that reads "报德老酒". To the left, vertical text on a branch says "醉香不怕巷子深" (The fragrance of wine can't be stopped by deep alleys). The background features traditional Chinese ink wash paintings of a landscape with buildings and trees. At the bottom, there is a horizontal illustration showing the six steps of the traditional brewing process: Selection of materials, Fermentation, Fermentation, Distillation, and Storage. Each step is accompanied by a small figure of a person performing the task. To the right, there is a large barrel and some ceramic jars. The overall theme is traditional and authentic.
